Year 6 Homework!

Here is our weekly homework. Spellings for each week for half term are attached, as are the statutory spellings for the whole year.

Starbooks and revision

Reading regularly helps children to develop their reading fluency, comprehension and confidence.

Each child will receive their own Starbooks book mark, which will be stamped for every 20-minute read completed at home.

We ask children to read at least 5 times each week.

- Each 20-minute home read earns a stamp on your child's Starbooks bookmark.
- Collect 20 stamps to complete the bookmark!

Celebration: ⭐

When children collect 20 stamps, they will be invited to a special library session with hot chocolate to celebrate their fantastic reading commitment.

Times Tables Rock Stars

Times Tables Rock Stars helps children build speed and confidence with their times tables. In Year 6, children should know all times tables up to 12 × 12. We ask children to practise on TTRS **3-5 times each week**, and we will share a half-termly heatmap showing areas of strength and those needing further practice. Teachers will monitor progress and celebrate improvements in recall speed and accuracy.

Celebration ⭐

Children will receive certificates for reaching milestones and making progress. We will also run a weekly year group competition, with the class logging the most practice time winning the **Times Tables Rock Stars trophy** 🏆.

Spelling – Spelling Shed

Spelling Shed supports our spelling curriculum, helping children to improve their spelling accuracy and confidence in writing.

Each half term, we will share weekly spellings alongside the statutory spelling words given at the beginning of the school year. Children will receive a Spelling Shed login so they can practise through games and activities.

Children should practise 3–5 times a week for around 5–10 minutes. Weekly spelling checks will help teachers monitor progress and identify words needing further practice.

Celebration: ⭐

Children will receive certificates for reaching milestones and making progress. Classes will also compete for a weekly Spelling Shed trophy, awarded to the class with the most practice time logged. 🏆

CGP revision books – reading comprehension, grammar and maths.

To support your child's learning and preparation for Year 6 assessments, children should complete one double-page spread from their CGP revision books every two weeks (page numbers will be given to the children each week). Tasks will be checked and marked in school, and pupils who complete this regularly will be rewarded with extra break time. Thank you for your support in helping your child develop confidence and independence with their revision.
